## **Bio**

In addition to her work on set as an Intimacy Coordinator and Director, Amy teaches a class called Beyond: "Yes, And: Consent and Boundaries for Actors," a curriculum which she developed for NYU's Stonestreet Studios and currently offers online.

She is the Community Nightlife Liaison with OutSmartNYC, a non-profit dedicated to sexual violence prevention in Nightlife and Hospitality spaces. Through her work with OutSmart, Amy has had the opportunity to co-create and co-facilitate multiple curriculums focusing on Bystander Intervention, Sexual Violence Prevention, Consent Education, Sexual Harassment Management and Leadership training, and more. These curriculums all seek to be anti-oppression and intersectional.
